Be certain that the name of the school is on the check.**

RULES 2011/12 National Federation Swimming and Diving Rules will govern the conduct of the meets.

DIVING College of New Jersey

In order to prevent any confusion with the diving entries, we urge you to pay particular attention to the procedures for conducting the diving championships.

1. The divers list shall consist of five (5) voluntary dives, and six (6) optional dives.
2. The voluntary dives will include one (1) from each of the five (5) groups, with a total degree of difficulty not to exceed 9.0. The voluntary dive numbers are to be circled. Voluntary dives contributing to a total degree of difficulty exceeding 9.0 will be declared as failed.
3. The total degree of difficulty of the six (6) optional dives must be at least 12.3. The six (6) optional dives must include one(1) from each of the five (5) groups. A group may not be repeated until the finals.
4. The divers list must contain eleven (11) different dive numbers; all five (5) groups must be represented in the first eight rounds.
5. Fill in the spaces under Dive Number, Dive Description, Position and Degree of Difficulty.
6. If there are more than thirty-two (32) entries, there will be a cut after the third round of the preliminaries. Preliminaries: List two (2) voluntary dives and three (3) optional dives in any order.
7. In the semifinals the twenty (20) qualifiers will each perform two (2) voluntary and one (1) optional dives.
8. The sixteen (16) highest scoring divers through the semifinals shall qualify for the finals. They will perform one (1) voluntary and two (2) optional dives.

Errors in the composition of voluntary and optional dives identified after the competition has started will result in the disqualification of the diver.

**PLEASE PRINT OR TYPE THE DIVES YOUR ENTRANTS WILL PERFORM ON THE ENTRY FORM.**

## DISQUALIFICATION

Participation by an ineligible swimmer/diver in any meet during the regular season results in forfeiture of all points achieved by the ineligible swimmer/diver. If an ineligible swimmer/diver participates in a championship meet, said swimmer/diver will be disqualified from the championship immediately and the next finisher will advance in his/her place; swimmers/divers eliminated prior to the last competition will not re-enter championship competition.

## PROTESTS

Protests based upon an official's judgement, or misinterpretation, or misapplication of the swimming rules will not be honored as per NJSIAA Bylaws, Art. VII, Section 1.

ATHLETIC EMERGENCY PROCEDURE - Each school participating in the tournament will provide for the care and treatment of their athletes within the school's policy as in effect during the regular season. When meets are scheduled at predetermined sites, schools should not assume that the home school athletic trainer will be available and should therefore prepare for the care of their athletes. NJSIAA may assign athletic trainers for state final events to assist with emergency situations.

**ATTENTION:** Principals, Athletic Directors, All Coaches and Officials  
**RE:** Recommended Precautions Against The Transmission of Blood-Borne Pathogens

All member schools must provide all coaches with the contents of the NJSIAA Infectious Disease Policy.

The Infectious Disease Policy provides that: If an individual gets someone else's blood on his/her skin, protective gloves should be worn to wipe the blood off with a disposable towel soap and water.

Note: If any blood gets on an opponent's uniform during competition or a teammate's uniform during practice, it is not necessary to clean the uniform at that point unless the opponent or teammate has an open cut or unskinned area, or the blood is on a part of the uniform which might come in contact with mucous membranes. If the student-athlete does have an open cut or unskinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with soap and water.

#### ALCOHOLIC BEVERAGES/ILLEGAL SUBSTANCES

Players and coaches involved with alcoholic beverages and/or illegal substances before, during or after the game, at the game site or on school property, including chartered busses, shall be suspended from NJSIAA tournament play for one year and be denied any championship rights.

This action was taken in support of the fact that such actions concerning alcoholic beverages and illegal substances are in violation of New Jersey State statutes and will be strictly enforced.

#### SALES/SOLICITATIONS

Only NJSIAA promotional items will be sold at NJSIAA sponsored events. For the 2011-12 seasons, TEAM IP is the designated vendor.

Solicitations, sale of publications/products or similar activities are NOT permitted without prior authorization from the NJSIAA.

The New Jersey State Interscholastic Athletic Association is the sponsoring association for all levels of State Tournament/Championships. The NJSIAA reserves all rights in regard to the management of these Tournaments/Championships and the sale or distribution of any items and any audio-visual reproductions. Any sale or distribution of clothing, souvenirs or any other items is strictly prohibited without permission from the NJSIAA.

Note: SCHOOLS NOT WILLING OR ABLE TO COMPLY WITH TOURNAMENT REGULATIONS SHOULD NOT ENTER THE TOURNAMENT.

PLEASE NOTE: CHECK INSTRUCTIONS CAREFULLY AND RETURN ENTRY FORM TO THE PROPER ADDRESS LISTED. THE EXECUTIVE COMMITTEE OF THE NJSIAA HAS RULED THAT MEMBER SCHOOLS FAILING TO FORWARD FORMS TO THE PROPER ADDRESS WILL BE EXCLUDED FROM TOURNAMENT COMPETITION IN THAT SPORT.

#### COACHES/CERTIFIED FACULTY MEMBERS MUST BE PRESENT

Tournament Directors will disqualify any contestant who is accompanied by someone in a coaching capacity who is not properly certified and appointed by the Board of Education. A properly appointed coach will thereafter be subject to the Rules and Regulations, Rule 2, Section 11 - Out-of-Season Practice. The Head Coach must be able to certify he/she was present at the required six (6) practices and will coach the individual(s) at the State Championships. Penalty for failure to comply will be disqualification of the individual(s). If a substitute coach is used, written authority from the school's Principal must be presented.

Accordingly, firecrackers are not permitted in or around any pool or parking area, and anyone found selling, possessing, or using fireworks of any nature will be arrested and duly prosecuted.
