Coaches Meeting: There will be a coaches meeting Wednesday, December 4 at the swim center during warm up. The meeting will be held in the front lobby @ 4:30 pm.

Meet format: The meet will be conducted using the Colorado Timing System and Hy-Tek Meet Manager software. Designated warm-up lanes will be available during the meet. The meet referee reserves the right to run two pools during the prelims sessions based upon the number of entries. If two pools are run men will swim on one end and women will swim on the other. Finals will be swim together with lanes open for warm up and warm down concurrent with diving space open.

All relays are timed finals. The time used for seeding the event will be based off of entry times. Teams can enter A, B and C relays.

The 1,650 is a timed final event and will be swim on Saturday during prelims. *The fastest heat will be swim at the beginning of finals on Saturday evening. The remaining heats will be swim fastest to slowest at the end of the prelim session (beginning approximately at noon). *If a swimmer is seeded to swim at night but choose to swim in the morning this can be accommodated.

In finals there will be 5 heats of the 50 free, and 4 heats of the 100, 200, 400, and 500 yard events. We reserve the right to change the number of heats in finals.

A scratch rule will be strictly enforced to allow every opportunity for the best competition.

NCAA time trials will be offered after finals entered athletes in the meet upon request. Remember the NCAA rule, "Each competitor, or institution in the case of a relay event, is limited to one time-standard trial event per meet."

Scratch Rule: If a swimmer fails to scratch from finals and does not swim in a final event for which he/she qualified, the swimmer will not be allowed to swim in his/her next event (in finals or in prelims).

A swimmer has 30 minutes after final results are announced for an event to declare an intention to scratch the event for finals. After declaring an intention to scratch, the swimmer has 30 minutes after final results are announced for his/her last prelim event to declare a scratch.

Scratches for prelims are due in the finals session the night before.
